## PowerHour is coming!

Terrace Middle School will be hosting PowerHour on Wednesday, September 28, 2016 from 6-7pm in Room 8. We will be showing students and their parents/guardians how to log into **PowerSchool**, the district's Student Information System, to access up-to-date academic progress, attendance, etc. Additionally, we will help you create an account for **MealTime** online, the school's chosen online payment system for cafeteria accounts. At the end of PowerHour, if there are additional questions that parents/students would like to have answered about technology, for example, **Planbook.com** or the **Remind** app, faculty will be onsite to assist. Refreshments will be provided. Please mark your calendars. We are looking forward to our tech time with you.
